Have you the skills to be patient centred, collaborative, fair to everyone, accountable and empowering?

If you are, then you are the registered practitioner, Nurse or ODP we are looking for to join our busy teams, we have 56 operating theatres across four city-wide sites.

Patient and staff safety is crucial to ensure our patients and colleagues are cared for in an environment which is safe, effective, and provides a quality service and positive patient experience.

The Leeds Way is to recruit the most capable staff, invest in them through ongoing professional development and offer a range of benefits to support you as you provide a high quality service.

What can you bring to our table?

We are looking to recruit experienced and newly qualified staff who are committed, enthusiastic and always seeking success to be a key part of delivering a quality service to our patients.

We have vacancies in the following areas:
- Pre Operative Assessment
- Theatre vacancies in Cardiac, Hepatobiliary/Liver transplant, Acute/Obstetrics, Neuro/Spine, Paediatrics, Day Surgery and the Colorectal Urology Breast team
- Post Anaesthetic Care Units as well as a range of other specialities.

The city of Leeds is a vibrant city, 30 mins away from one of the largest National Parks in the country, 10 minutes away from an international airport and has a city centre with a range of exciting opportunities and a cosmopolitan atmosphere for both work and play.

Interested in sharing your expertise and knowledge with our teams? Apply online at www.jobs.nhs.uk quoting job reference: Band 5 Perioperative Practitioner 298-NUR-011. Band 6 options are also available.

If you wish to discuss vacancies or arrange an informal visit, please contact one of our matrons, Mark Dixon, Alex Morris, Sheeba Jefferson or Helene Barnes on: 0113 206 4266 or 0113 392 5359.

Build a career at the cutting edge of private healthcare

HCA Healthcare UK has an international reputation for clinical excellence. In fact, we were recently named Private Hospital Group of the Year at the Health Investor Awards 2016. And that’s not just because of our exceptional acute and complex care; it’s because we consistently invest in the very latest technology and state-of-the-art equipment for our facilities.

As a member of one of our theatre teams, you’ll work at the cutting edge of clinical care. Whether you’re in anaesthetics, recovery or instruments, you’ll help leading surgeons and specialists to deliver radical, life-saving treatments to our patients. And you’ll do so in an advanced, highly organised environment, where everything you need is at your fingertips.

What’s more, because we understand that it’s our people who make our healthcare truly exceptional, we’ll give you everything you need to thrive. Working here, you’ll benefit from:

- Competitive salaries ranging from £33,000 to £55,000
- The opportunity to gain experience on a wide range of pioneering surgeries
- Annual salary reviews
- Movement and promotion opportunities in the HCA network
- A structured career review and development programme
- Development support, including funded courses and allocated study time

Application requirements:

- NMC and/or ODP qualified
- Recent hospital experience
- A thorough knowledge of theatre practices
- A friendly and professional demeanour
- Confident communications and leadership skills

Opportunities available:

We currently have full and part-time opportunities at The Harley Street Clinic, The Portland Hospital, The Wellington Hospital, The Lister Hospital, London Bridge Hospital and The Wilmslow Hospital. We are looking for Theatre Practitioners, Surgical Services Managers, Clinical Practice Practitioners, Matrons, Lead Practitioners, Senior Theatre Nurses and ODPs.

For more information contact our Talent Team Leader at Lisa.Wilson@hcahealthcare.co.uk or call 020 7759 3945.
An exciting opportunity has become available within the Directorate of Theatres, Anaesthetics and Sterile Services for an Operational Service Manager, who is motivated, driven and inspirational person. This role is an ideal opportunity for an experienced individual to manage existing facilities and be part of the development of new operating Theatres on the John Radcliffe site as well as being part of the project team for development of new sterile services facilities.

The role is highly operational; therefore the post holder will provide visible leadership to their teams with a passion for delivering care in a safe environment. You will achieve this through effective operational management by working collaboratively with Matron and Clinical Director. The successful candidate will be managerially credible, with a strong background in service delivery within NHS.

Working alongside Clinical Director and Matron to ensure quality care is delivered and staff management is fundamental to the role. As a Matron you will demonstrate an inspirational leadership and an unrelenting desire to improve clinical standards, care and services. You’ll need to maintain the excellent standards of clinical governance within theatres ensuring you are approachable and accessible to patients, relatives and colleagues.

You’ll have a track record of achievement in managing, leading and developing nursing practice in an acute care environment. You’ll have proven experience of line managing and leading nurses and nursing services as well as an in depth knowledge of the health care regulatory agenda and mechanisms.

Reporting directly to the Clinical Director, the post holder will provide professional and managerial leadership for Theatre staff within the department. If you are an individual who enjoys managing change, you know how to stabilise teams, re-engage and recognise them, driving standards of care and a passion for health, then this is an exciting opportunity for you to join a large, complex and high performing organisation committed to increasing quality of care for patients.

As a Matron you will be responsible for ensuring high quality care is delivered in Theatres, working closely with the Operational Service Manager on staff recruitment and retention, staff development and theatre utilisation and planning.

An exciting opportunity has become available within the Directorate of Theatres, Anaesthetics and Sterile Services for a Theatre Matron, who is motivated, driven and an inspirational person. This role is an ideal opportunity for an experienced individual to manage existing facilities and be part of the development of new operating theatres on the John Radcliffe site.
