

AfPP Study Day

Practice Makes Perfect

Date: 20 May 2017

Venue: The University of Edinburgh
Pollock Hall Campus
The John MacIntyre Conference Centre
Salisbury Room
18 Holyrood Park Road
Edinburgh
EH16 5AY

Objectives:

The Scottish team are delighted to produce an invigorating 'Team Training Day' to celebrate the learning achieved from Scotland wide developments.

Historically, Scotland has gained worldwide recognition for its contribution to patient safety so much so that in 2014 Donald Berwick stated in the US- based Institute for Healthcare Improvement website that *"the Scottish Patient Safety Programme marks Scotland as a leader, second to no nation on earth, in its commitment to reducing harm to patients, dramatically and continually"*.

Following on from these achievements once again Scotland has been pivotal to recognising the importance of non-technical skills to improve patient safety in the surgical environment following research conducted by Rhona Flin and colleagues at the University of Aberdeen around 2006.

So, it is with great pleasure that following feedback from previous Scotland Study Days that we are now able to offer you a full day of educational activity focussed on Human Factors and non-technical skills – with 'take home' messages of the importance of simulation training in your work environment.

Once again please join us and let us again show our commitment to continuing patient safety for all our surgical patients.

This event is aimed at all perioperative practitioners – theatre nurses, ODPs, support workers, anaesthetic staff, recovery staff and theatre managers.

Programme:

08:45 – 09:15 **Registration and Coffee**

09:15 – 09:30 **AfPP Welcome Presentation**
Speaker: *Liz Faren, AfPP Regional Lead*

09:30 – 10:30	<p>Reflections of an avoidable Never Event in Norfolk & Norwich NHS Trust</p> <p>Speaker: <i>Adrian Jones, AfPP President & Orthopaedic Surgical Care Practitioner, Norfolk & Norwich University Hospital</i></p> <p>Reflections and challenges encountered whilst experiencing a 'Never Event' and the supportive needs of all involved.</p> <p>Never events are on the increase regardless of positive engagement, education and support. Are they a sign and symptom of a team under stress?</p> <ul style="list-style-type: none"> • This session will review a recent case study • Reflect upon some of the challenges exposed • Suggest some remedial support and care for those involved
10:30 – 10:50	<p>Refreshments and Networking</p>
10:50 – 11:30	<p>The Black Chair of Never Events - "What's in your Hazard List"</p> <p>Interactive Session to learn from our 'near misses' and 'never events' and 'what' we have learnt to inform future practice</p> <p>Speakers: <i>Caren Chan, AfPP Scotland Regional Team & Registered Nurse & Liz Faren, AfPP Regional Lead</i></p> <ul style="list-style-type: none"> • Following this session, delegates will be able to identify the human factors that increase the risk of never events in the operating theatre. • Present delegates with risk reduction strategies relevant to their needs. • Demonstrate transparency when processing never event situations.
11:30 – 12:30	<p>Human Factors – Explore the science of Human Factors</p> <p>Discover the Importance of Non-Technical skills to enhance the Quality and Safety of care for all our surgical patients</p> <p>Speaker: <i>Tanya Somerville, Educational Co-ordinator (Nursing) - Scottish Centre for Simulation & Clinical Human Factors, Forth Valley Royal Hospital</i></p> <ul style="list-style-type: none"> • Learn the "Science of Human Factors" and its application to healthcare. Delegates will facilitate a basic analysis of critical incidents using a human factors framework. • Examine the importance of human factors and non-technical skills to improve surgical patient safety. Exploring the different stages of situational awareness (SA) and the importance of SA as a precursor to decision-making. Understanding the impact of different styles of decision-making, their benefits and burdens within the perioperative domain.
12:30 – 13:15	<p>Lunch and Networking</p>
13:15 - 14:15	<p>Simulation Training Scenarios and Critical Incidents</p> <p>Interactive Session of Learning Scenarios – focussing on teamwork, leadership, communication and other non-technical skills</p> <p>Speaker: <i>Tanya Somerville – Educational Co-ordinator (Nursing) - Scottish Centre for Simulation & Clinical Human Factors, Forth Valley Royal Hospital</i></p> <ul style="list-style-type: none"> • Explore the advantages of Simulation Training to enhance non-technical with feedback and coaching of crisis management skills, which can be used to overcome human factors difficulties.

14:15 – 14:30	Refreshments and Networking
14:30 – 15:30	<i>Continued.....</i> Simulation Training Scenarios and Critical Incidents Speaker: <i>Tanya Somerville – Educational Co-ordinator (Nursing) - Scottish Centre for Simulation & Clinical Human Factors, Forth Valley Royal Hospital</i>
15.30 – 15.55	Closing remarks, Questions and Evaluations
16.00	Close

5.25 CPD Hours

Travel information to Pollock Halls at Edinburgh University

Location: Pollock Halls is situated south of the city centre, close to the Scottish Parliament, and within walking distance of the famous Royal Mile. Set in the shadow of Arthur's Seat at Holyrood Park it is conveniently located to explore Scotland's Capital.

Trains: Edinburgh's principal railway terminus is Waverly Station, less than 15 minutes walk from the University. A taxi to the University will cost around £6. Trains from the West Coast or from Glasgow will also stop at Haymarket station, at the west end of Princes St. GNER trains travel up the east coast line. www.gner.co.uk, 08457 225 225 tickets or 08457 484 950 for enquiries. For details on timetables, see www.networkrail.co.uk or telephone 08457 484 950.

By Coach/Bus: Coaches arrive in St Andrews Square located almost directly across Princes St from the Waverley Train Station. St Andrews Square is a 20 minute walk from the University. Buses travelling past Pollock Halls (stopping at the Royal Commonwealth Pool) include 30, 33, 2, 14 and 86. There are frequent services from London Victoria Bus Station to Edinburgh. Further information can be obtained from www.nationalexpress.com or telephone 08705 808 080.

By car: As you approach Edinburgh take the City by-pass (A720). Exit at Sheriffhall Roundabout, take the A7 and head for the city centre. Stay on the A7 which becomes Dalkeith Road. Turn right at the Royal Commonwealth Pool onto Holyrood Park Road (approximately 4 miles) and the entrance to Pollock Halls is approximately 200m on the right.

Parking: At Pollock Halls this is free and is allocated on a first come first served basis.

Campus Facilities @ Pollock Halls

Within the newly refurbished John McIntyre Conference Centre there is a small convenience store with a cash machine and a public bar and restaurant. There is a taxi rank on site with a free phone line, and free car and coach parking. They're also **located** close to the University's Centre for Sport and Exercise.
